

**PRESENTAZIONE PERFORMANCE PASSATE**

La performance passata non è un indicatore affidabile della performance futura. Nel futuro i mercati potrebbero avere un andamento molto diverso. I risultati ottenuti nel passato possono aiutare a valutare il modo in cui il fondo è stato precedentemente gestito. Le performance sono indicate al netto delle spese correnti. Le commissioni di ingresso e di uscita sono escluse dal calcolo. Il presente grafico mostra la performance del fondo in termini di percentuale annua di perdite o di guadagni negli ultimi 10 anni rispetto al suo parametro di riferimento. I risultati passati possono aiutare a valutare il modo in cui il fondo è stato precedentemente gestito e a confrontarlo con il parametro di riferimento.
